### SLHS MA-SLP Sequence Options for Required Courses

**Students take ALL courses, but the order and sequence may vary according to interest areas. It is not necessary that students know an area of interest upon entry into the department and the options allow for flexibility.**

**Option 1** -Students seeking both school licensure and an adult neuro/medical internship, but with most interest in pediatrics and the school-age populations

**Option 2** -Students seeking school licensure and an adult internship, but with most interest in adult neuro/medical populations

**Option 3** -Students seeking school licensure with special interest in Deaf and hard-of-hearing populations
